

REPORT FROM CHILHAM'S FUTURE DELIVERY BOARD

Since June ...

1) no decision had yet been received regarding the funding application to Kent Downs and Marshes Leader programme

2) CFDB were working with Chilham Traders Group to put together an application for Village SOS (a joint initiative by the BBC and the Big Lottery Fund) and if this resulted in the project being selected as one of six village projects throughout the British Isles to be featured in a BBC tv programme it would provide funding of up to £400k
