Square

Layout challenges and conflicts ("Sticking Points")

4 roads off square, Balance between function & parking nos.
 How to encourage cars -> car park, TH or cyclists
 Maximise < limiting parking
 Need for resident parking
 Some people - business want fewer cars -> square would
 it is beneficial. Others feel need more parking places to
 accommodate visitors.
 Need space unoccupied by

Possible solutions

Pros

Cons

Make sure flow of
 traffic round square
 to allow for access
 to feeder roads.

Maximise parking -
 TH. (encourage)

Parking delineated in
 centre of square

parking kerbside
 down sides.

halways - Taylor Hill & The Street.

may reduce parking
 in square

existing solution
 or could have pedestrian ways.

leave centre free

exhaust times.

parking
 - square
